MEMORANDUM FOR GORDON CAVENDISH, EXOPLANETARY RESEARCH
INSTITUTE

SUBJECT: EDNA

Gordon,

Our funding problems have been solved. The Department of Defense agreed with our analysis of the situation and the threat it poses, and the need to investigate the planet.

Edna's a go. You will submit your budgets and funding requests to Edna, and the Department will channel whatever money you need to her.

Keep me in the loop.

Lt. Gen. Ryan T. Arling
